JULY NEWSLETTER

June was an exciting and busy month for Streamline. As we continue to navigate this new normal with COVID-19, we are incredibly inspired by the members of this group and their desire to improve public transit in Bozeman and surrounding communities.

Thank you for being part of the discussion!

THANK YOU BOZEMAN!!

On June 22, 2020, the Bozeman City Commission UNANIMOUSLY agreed to amend next year's budget by voting to allocate \$300,000 to Streamline ((instead of the initial allocated amount of \$150,00). This increase in funding is a huge win for transit in Bozeman as it will help us maintain our current operations, improve bus stop signage and amenities, and continue to make progress towards forming an Urban Transportation District. Thank you Bozeman City Commission for demonstrating your support for public transit!
