New Changes Effective October 2023

Frequently visit StreamlineBus.com for the most current route information. See [detours & delays page](#).

Changes/Updates (Please see the map and timetable for details)

| New Bus Stops

HRDC's Streamline service added 34 new stops on Blueline, Goldline, Purpleline, Brownline, and Pinkline routes on Monday, October 2nd, 2023.

| Updated Brownline Schedule

As of October 2nd, 2023, the Brownline schedule has been adjusted to better serve our riders. This adjustment will help riders access Gallatin High School in time for classes, as well as allow for Brownline riders to better transfer to other routes.

| Blueline - Removal of the Tschache & 15th Detour

Since the start of our new routes in August of 2021, we have been unable to service the Tschache @ Arrowleaf Park stops due to construction connecting North 15th Avenue to North 19th Avenue via Tschache Lane. However, this construction was completed in September 2023 and these stops are being serviced effective immediately. Please note that these stops have been renamed to Tschache @ Family Promise, as it is a more accurate description of the stop location. Please also note that the stop at Bridger Peaks Shopping Center will no longer be serviced.

Highlights

| Days of Service

Streamline runs Monday through Friday with modified weekend service. Please refer to the timetables for the exact hours of service on each route. Service is not provided on the following holidays: New Year's Day, President's Day, Memorial Day, 4th of July, Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day.

| Language Access & Inclusivity Policy

Streamline is committed to equal access for all. Copies of the brochure are available in Spanish. HRDC (Streamline) provides free language services to those who need it, such as qualified interpreters and information written in other languages. If you need these services, contact Montana Language Services at (406) 920-0068.

| Late Transfer Policy

Buses will NOT wait at Transfer Stations for another bus that is running too far behind schedule (except on last run). This should keep all other routes on time. We apologize if this causes any inconvenience.

| Half-Hour Services

Streamline's Blueline, Goldline, and Purpleline have service in addition to the regular hourly service during peak times in the morning and afternoon. These additional ½-hour services only operate Monday-Friday during the main academic terms at MSU. Look for the boxed-in rows for each route to see what times these extra routes operate. Check the website for the exact dates that these ½-hour services are available.

| Summer Schedule

The summer bus schedule operates mid-May to mid-August. Watch for changes to the ½-hour frequency service and the LateNight Route. Visit StreamlineBus.com for the most current route information.

Weekend Service

Please note the half-hour service is not available on the weekends.

| Weekend Service

- Weekend service is available all year on Saturdays and Sundays, excluding certain holidays when they fall on weekends. See pages 17 through 20 for the specific weekend stops and schedules.
- Weekend service begins at 9:15 a.m. and ends at 6:15 p.m.

Bus Information

See also passenger code of conduct for transportation rules.

| Important Message

Streamline has the utmost concern for everyone's safety. Please be considerate of the driver and your fellow passengers. Please refrain from unnecessary conversations with the driver while the bus is in motion.

| General Information

- Please wait until other passengers have exited the bus before you board.
- When possible exit from the rear door.
- Use caution when entering and exiting the bus, especially during inclement weather.
- Please leave the front seating open for passengers who are seniors, passengers with disabilities, and passengers with small children.
- No passenger is allowed in the front cab seat.
- Non-Alcoholic drinks are allowed in a container with a lid.
- No eating.
- Audio equipment may be used with headphones or earphones.
- No animals except service animals or small animals that are confined to a lap size carrier/kennel.
- Roller skates, skateboards and roller blades must be carried onboard.
- Aisles must be clear at all times.
- For your safety the following items are prohibited: gasoline, car batteries, fireworks, explosive materials, firearms or weapons of any kind.

HRDC Transportation

Rules

Any of these rules can be appealed by requesting appeal information from the Streamline office at (406) 587-2434.

Passenger Code of Conduct

For the comfort and safety of all passengers, the following conduct is expected of all passengers using transit services.

- Cooperate with requests from transit personnel.
- Be considerate.
- Respect the privacy of others.

Refrain from any behavior that intrudes on the welfare of others including (but not limited to):

- Interfering with the safe operation of any transit vehicle.
- Harassing, intimidating, endangering or threatening the welfare of others.
- Use of profanity or offensive language.
- Loud or disruptive behavior.
- Intentionally obstructing or impeding the flow of a transit vehicle or passenger movement.
- Placing your feet on seats or seat backs, or lying down on the seats.
- Smoke or expel the residue of any tobacco product including vapor (e-cigarette, vaporizing electronic system or otherwise) and chewing tobacco.
- Littering or spitting.
- Consuming alcoholic beverages or possession of an open container of an alcoholic beverage.
- Drunk or disorderly conduct.
- Defacing, destroying or otherwise vandalizing property, signs, and notices/announcements.
- Urinating or defecating except in restroom facility receptacles.
- Camping in or on transit property or storing personal property.
- Loitering without intent to utilize transit services.
- Bringing onto transit property, odors and substances which unreasonably disturb others or interfere with their use of the transit system, whether such odors or substances are from one's person, clothes, articles, accompanying animal or any other source.

Anyone who fails to comply may be asked to leave, and/or be suspended from riding indefinitely, and/or be prosecuted to the full extent of the law.

The code of conduct applies to all activities that occur in or on:

- Any transit vehicle or offices
- Transfer Centers
- Bus stops, shelters or other passenger facilities
- Park & Ride lots

Bus Information

Tables | Stops | Weather | Access

| Reading the Time Tables

Stop times are not published for every stop location. Instead, the schedules are displayed as timepoints. Each timepoint has a published departure time. Drivers are instructed to leave all timepoints at this published time. If your stop is not a published timepoint, please find the two published timepoints that are closest to your stop location. Be ready at your bus stop between those two timepoints.

| Where the Bus Stops

The buses travel on specified routes that are shown on the map. Buses stop at designated bus stops, which are signed along the route. Buses stop only when traveling in the stop's designated direction. Please refer to the map for all stop locations.

| Exiting the Bus

Please signal the driver at least one block before your stop by pulling the stop request cable next to your seat. Think safety- do not cross in front of the bus. Wait for the bus to move on before crossing the street.

| Wheelchair Access

All buses are wheelchair accessible. Special transportation is available for persons with disabilities who are unable to use the fixed route bus system. Please contact Galavan at (406) 587-2434 for more information.

| Bikes on the Bus

As an added feature, buses are equipped with bike racks so passengers can take their bikes with them. The racks hold up to three bikes and are available on a first-come, first-served basis. The racks are easy to use and are designed for riders to load and unload bikes independently. Assistance is available to first time users where it is safe for the driver to exit the bus.

| Deviated Routes

A request for deviation from the fixed route is allowed only on the LateNight route (time permitting). For deviation, advanced notice is required. Please call the LateNight phone at (406) 580-2032.

| Weather

If the temperature is -20 degrees F or colder, the bus system may not operate. If for any reason the bus system will not operate, every attempt will be made to inform the public through the local radio and television stations.

Gallatin Valley UTD

I Gallatin Valley Urban Transportation District

The 2020 U.S. Census shifted Bozeman's classification from a rural area to a small urban area. This reclassification triggers a change in funding from the Federal Transit Administration and the eligible recipients, which do not include non-profit organizations. Local stakeholders agreed that creating the Gallatin Valley Urban Transportation District (UTD) was the best option for the community to allow for continuity of transit services. In May of 2023, voters approved the creation of the Gallatin Valley UTD.

The Gallatin Valley UTD is a single purpose entity with a focus on regional collaboration and representation, and has no significant geographical constraints. The transition of governing responsibility from the HRDC Board of Directors to the Gallatin Valley UTD Board of Directors is expected to take two years. In the meantime, riders can expect both Streamline and Galavan service to operate without any service interruptions.

The boundaries of the Gallatin Valley UTD consist of Bozeman, Belgrade, Four Corners, and the areas in-between. The GVUTD Board of Directors is composed of nine representatives from the following jurisdictions: Gallatin County, City of Bozeman, City of Belgrade, HRDC, Montana State University, Associated Students of Montana State University, Rider (Representing General Riders), Rider (Representing Senior Citizens, Rider (Representing Those with Disabilities).

The GVUTD Board of Directors meets monthly and public comment is encouraged. If interested in attending, please visit StreamlineBus.com to learn when the next board meeting will take place.

HRDC Transportation

Galavan | Bridger Bowl | HRDC's Community Commons

| Galavan

Streamline's complementary paratransit service is offered through Galavan. Galavan's mission is to ensure that the lack of affordable transportation is not a barrier to individual independence. Galavan provides service to residents of Bozeman, Belgrade, Three Forks, and Manhattan. Pre-arranged pickups and drop offs are available for certified customers who are unable to access the regular Streamline stops. Galavan is open to anyone who has a qualifying disability and/or are older than 60 years of age. Eligible riders can schedule rides by 3:00 pm the day before the trip. To learn more about Galavan, please visit StreamlineBus.com/paratransit or call our office at 406-587-2434.

| Bridger Bowl Service

Streamline will be offering service to Bridger Bowl on Saturdays and Sundays during the 2023-2024 Winter ski season. Please visit StreamlineBus.com/bridgerbowl for more information.

| HRDC Community Commons Shuttle Service

HRDC opened Market Place, the first phase of the new Community Commons campus on Griffin Drive, in late 2023. The Market Place facility is the new home of many of HRDC's services including the Gallatin Valley Food Bank, Fork & Spoon, senior programs, housing assistance, and much more!

In order to accommodate transportation to this new facility, Streamline will be offering intermittent shuttle service to HRDC's Community Commons. Please visit StreamlineBus.com/communitycommons for more information.

Streamline and HRDC

Streamline is a program of HRDC

HRDC's Streamline offers bus service throughout the Gallatin Valley to fulfill everyone's transportation needs. It is fast, convenient, and zero-fare! Thank you for supporting public transit... Streamline benefits us all!

HRDC has been helping our neighbors in need across the Gallatin Valley and beyond for nearly 50 years. Whether through introducing public transportation services, or working to ensure no one has to go to bed hungry and everyone has a warm, safe place to sleep, we strive to build a better community.

We know that every single one of us benefits from a more connected and supported community. Learn more about all the ways we help improve quality of life for over 15,000 individuals each year at thehrdc.org.

HRDC
BUILDING A BETTER COMMUNITY

A Zero-Fare Service

That Benefits Us All

Statement of Non-Discrimination

Streamline, the cities of Bozeman and Belgrade, Gallatin County, the Montana Department of Transportation and the State of Montana do not discriminate against an individual on the basis of race, color, creed, religion, national origin, gender, marital status, status with regard to public assistance, disability, age or familial status in the provision of public transportation and its services.

Comments, Questions Or Concerns
